

Dream School

Andrea Marr, the heroine of the bestselling novel *Girl*, is back. And headed to college. Imagining a typical J. Crew/college catalog experience, Andrea leaves Portland to attend prestigious Wellington College in Connecticut. Surrounded by the best and the brightest, she works hard to adjust and keep up. But Andrea has a way finding her own people not the well-heeled and well-scrubbed but the weird, the wild, and the brilliant. It isn't long before her college career veers wildly off course. Suddenly her entire future is in question. But in her darkest hour, Andrea will find the key to her destiny.
