

## Passion Seeking Romance

Author James Cunningham provides an invaluable resource for anyone who is going through the dating game. Read Passion Seeking Romance and discover your inner feelings through a man caught up in the daily distractions of life, while attempting to find love and happiness. The reader will learn from the experience how to improve communication within a relationship. Cunningham points out the trap that one must avoid in having a pre-existing image of the perfect mate. The author takes you through the ups and downs of getting to know another. The reader learns to again trust their heart when looking for love. In clear and easy to understand language, Cunningham allows the reader to feel the various stages in the courting ritual. Passion Seeking Romance is an invaluable resource for those looking for love or long term commitment, with the objective of marriage. The reader learns to trust the heart, and through their previous experiences become emotionally involved in many of the poems. The reader learns how to express long hidden feelings for that special person or soul mate that they have been looking for in their lives. Trust your heart and experience Passion Seeking Romance.
