

A Complete Guide to Dealing with Vegetables, Robots, Co-workers and Other Types of Difficult People in Your Life

Al Arafats highly anticipated new work helps solve that enormous problem most of us face every day at the office: How to deal with difficult people. In these pages you wont find a list of steps for successful ways to change yourself, as you will in most poorly written self-help and self-development books. Instead, get ready to discover the road to who you really are, as told in Al Arafats unique and critically acclaimed style through stories of drama, adventure, and the occasional laugh. Once you pick it up, you wont be able to put it down. Critics have been raving about how they themselves learned to deal with their own lives and with difficult people after reading this book. Its simply that powerful. Get ready for a life-changing journey full of Al Arafats incredible insights and laugh-out-loud sense of humor. You wont walk away from this book without a completely new mindset. Its simply that amazing.
