

Whats Wrong With Being Single?

Absolutely nothing. Being single or facing divorce, separation, or widowhood doent mean unhappiness. Singlethe latest, largest, and least understood minority in Americaare mad as hell, and theyre not going to take it anymore. Drawing on many statistics and richly detailed case studies, Maryam Jorjani proves that societys pressures and misconceptions of togetherness drive many of us to get married. The result is often depression, divorce, addiction, violenceeven suicide. Her conclusion: Living the single lifestyle, free and independent, may just be the best prescription for what ails America.
