

## Who is Harry Bigballs?: A Gentlemans Guide to Golf humor, games, instruction and relationships (Volume 1)

From the bestselling author of pretty much nothing comes the incredulous story of four ridiculous men on a golf adventure of a lifetime that just happens to occur every year around the same time. Join Harry and the gang as they engage in shameful displays of drunkenness, public acts of unbridled humiliation and hilarious pursuits of all that brings joy to the simple minds of men. Along the way, secrets of the nature of men and women will be explored and shared in graphic detail of course from a mans point of view. Due to this, the author has a request that all men out there shared this book with their fellow man only. There is no need for the other sex to become involved in any way, shape or form. Women, if you are reading this, trust methere is nothing in this book but a bunch of man gossip about mundane issues like launch angle of balls, proper gripping of a shaft, and the dangers of hazards such as a thorny, large bush. Move on, please. Finally, yes you will laugh, you most certainly will cry but you will also learn some very cool golf games, be provided with some unforgettable golf tips and instruction and receive relationship advice that will last a lifetime. So, men, when you are ready, grab a beer and a hammock and get ready to sink into all that is great about being a man in a world that has given us the great game of golf! Enjoy!!!
