

# French Lessons: Recipes And Techniques For A New Generation Of Cooks

This edition includes American Measurements. Beautiful and comprehensive, this is the only cookbook you will ever need to master the art of French cooking. French Lessons is a comprehensive guide to mastering French cooking, from classic dishes to simple and modern interpretations. Drawing on his training in the kitchens of French restaurants in Europe and Australia, North shows you that learning the right techniques opens up a whole new world of cooking. He brings a wide range of skills within reach of even the most timid cook, and the focus is always on quality, flavor, and freshness. There are more than 300 delicious, easy-to-follow recipes, complete with stunning photography and step-by-step shots to help master each technique and to cook with flair and confidence. Learn about different herbs and spices and the importance of stock. Make your own compound butters, savory sauces, and sweet flavorings. Master the art of fricassees and ragouts, braising and slow cooking, grilling and frying. Satisfy your sweet tooth with creams, custards and fruit sauces, sorbets, parfaits, meringues and souffles, chocolates, cakes, and tarts. There are even tips on planning your own menu! French Lessons is a must-have and will inspire anyone interested in French cookery.
