

Wind Smoke Manual

Here, for the first time in its entirety, is the complete translation of the Wind Smoke Manual, the legendary martial arts manuscript that was once only allowed to be read by the Emperor of the Chinese Qing Dynasty and his Imperial Guards! Written by a legendary wandering warrior poet of the Chinese countryside, this work is a mix of poetry, kung fu instruction, and philosophical treatises, whose secrets helped the Emperor maintain control over his warriors and his people. Learn the secrets of the Forbidden City's elite martial artists. Be swept away by the beautiful zenlike majesty of the spiritual texts. Harness the energy of wind and smoke to better every aspect of your life! About the Authors: Yangsi Ouyang was a wandering eccentric and martial arts master in 18th Century China. His greatest legacy was being hand selected by the Imperial Court to teach the Kangxi emperor archery, and the collection of his wisdom and martial arts techniques known as the Wind Smoke Manual. Martin Snowblum is the Chair of the Chinese Literature department at Northeast Oakland University. He received his PhD in Chinese Classics from Crinestone and his BS in Asian Studies from Stenford.
