

## Withdrawing the Veil: Sermons in Pakistan, Book 1

Many of us are familiar with the Bible and its stories, yet this familiarity is sometimes only at surface level. In this book, the author selects some popular, if difficult, Bible passages that serve as apocalyptic signs or spiritual warnings, preparing readers for a larger study of the Book of Revelation. The true meaning of the 153 fish, Jesus walking on the water, the woman with the 12-year issue of blood, the doctrines of Balaam and Jezebel, the Two Witnesses in Revelation 11 and the meaning of the number 666 are all thoroughly explained. The material comes from a set of sermons given during seminars and sermons in Pakistan during the years 2003-2005.
