

Trade Policy Review - Belize 2010

The Trade Policy Review Mechanism, a permanent feature of the World Trade Organization (WTO), is designed to contribute to improving adherence by all WTO members to rules, disciplines, and commitments made under the Multilateral Trade Agreement. This volume in the series provides information on the trade policies, practices, and macroeconomic situations of Belize. Each Trade Policy Review is expertly prepared after in-depth analysis of an individual nation by the WTO's Trade Policy Review Board.
