Shiba, a detective in the fifth anti-organized crime division of the Tokyo Metropolitan Police, a.k.a. Anti-Gang 5, is on the handgun-smuggling beat. A so-called handgun confiscation specialist, the most important element of his investigations is the information gathering skills of his undercover informant S. Shiba S, Munechika, also happens to be a big-time yakuza. Though he was aware of the special feelings he had for Munechika, Shiba chose the life of a detective. Thinking of each other, they swear to protect their relationship as S and detective. But, when a mysterious young man named Black appears before Shiba, everything falls apart!
