

The 20 Golden Powers of Success - The Courage of the Tiger: Unlock the treasure chest of Success within Your Mind, Body and Spirit

How would YOU like to delve into a treasure chest and pull out all the treasure that would make you rich? It wouldn't be a diamond or a pearl necklace or a ruby but the rarest of jewels. Did I tell you would be reaching into the treasure chest that is the human mind, body and spirit and that the rarest jewels would be those that create Success? Yes they are Golden POWERS. And yes, they work! Right now you can discover your own SUCCESS. Each of us spends every day of every week looking through our treasure chest and most days we come up with a handful of thorns. You may know these thorns as anger, anxiety, stress, nervousness, apprehension and fear. But why does it feel like they prick our fingers every other day? Are you feeling as happy as you should? If not then this book is for you. It is a simple yet powerful read in Success and ultra- Happiness and won't it show ! This book reveals 20 simple Golden Powers; jewels that emboss the crown of Success. That is 20 Secrets that you can use to kick start Success whilst unlocking the freedom you deserve. All it encompasses is a change in attitude and the courage to do so, to amazing mind, body and spirit techniques. And this book will show you how to easily open your treasure chest and become the best and happiest person you can be. Unlike many self-help and growth books, which can take ages to bring results, the 20 Golden Powers of Success have the influence to improve anyone's life starting immediately from page 1. This book is a gentle reminder of what we should know but so often forget about the wonder of life and the treasure chest that champion it - you. I even subtitled it The Courage of the Tiger for throughout Indian history, the tiger has incited a sense of both awe and admiration: its prowess, its ferocity, its beauty, and the harmony of the opposites. The tiger is full of life and embodies the spirit and drive to achieve and make progress. As the national

animal of India, tiger symbolizes the rare combination of grace, strength, agility and enormous power and has earned the tiger, like any who choose to embrace these 20 Golden Powers of Success, great respect and high esteem. To put it simply this book is a compass to guide you along your life filling it with all the great things that invite opportunities for Success. Open the treasure chest and 20 Golden Powers of Success await you after all within every one of us there is the Courage of a Tiger! - Areve
